

**The Annual Crystal Cabaret
A Celebration of Partnerships and Collaborations**

Dear Community Partner:

February 2026

The Two Rivers Health & Wellness Foundation invites you to join us as a sponsor for the Annual Crystal Cabaret, taking place on Friday, April 24, 2026, at Northampton Country Club. This year, we're celebrating the power of partnerships and collaborations that strengthen our community and create lasting impact. Your sponsorship helps us continue building these vital connections and ensures our vision remains a strong presence in the region.

The Foundation's core initiative, *Prevention through Education and Access*, guides our work as we respond to evolving community needs, from food insecurity and the insecurity of government funding to the shortage of affordable housing. Two Rivers Health & Wellness Foundation remains committed to partnering with nonprofits to address critical health issues, including maternal, infant, and childcare; behavioral health; and elder care. All funds generated from the 2026 Crystal Cabaret will directly support this initiative.

Nonprofits are always striving to do more, and strategic collaborations can amplify impact beyond cost savings. By sharing resources, strengthening programs, and building leadership capacity, partnerships create opportunities for greater efficiency and innovation. We look forward to seeing creative collaborations emerge during the upcoming grant cycle and the positive change they will bring to our community.

The Foundation respectfully asks that you consider sponsoring this event. Your generosity makes it possible for us to meet the health and wellness needs of our residents. And while you're at it, mark your calendar and "Come to the Cabaret!"

Sincerely yours,

Melissa Flores, Director of Building
Tenant Relations and Community Impact
